

Pappas Telecasting Companies' 'donation' of \$325,000 in airtime to Republican candidates in certain areas is an abuse of privileged access to the public airwaves.

Media companies should not be allowed to use their allotted public airwaves to endorse ANY political candidate or issue, period. Republican or Democrat or Libertarian. Not donated for free, not ever.

Pappas uses the public airwaves free of charge and is obligated by law to serve the public interest.

I believe that Pappas is abusing public airwave access - and that is reason enough to revoke their license to broadcast.

Thank you.
